DEPARTMENT OF STATE
AMERICAN LECTURERS--RESEARCH SCHOLARS
AND PROFESSORS
RECEIVING UNITED STATES GOVERNMENT AWARDS
1962-1963 ACADEMIC YEAR

Compiled in the
Office of Educational Exchange
BUREAU OF EDUCATIONAL AND CULTURAL AFFAIRS
August 1962

This list is compiled primarily for the use of American foreign service establishments and the binational educational Commissions. It includes university-level personnel awarded grants under the Fulbright-Hays Act (P.L. 87-256); it also includes persons receiving awards under special programs of Public Law 480. Since 1962-63 is the transition year to the Fulbright-Hays Act, no major reorganization of this list has been developed this year.

It is intended to facilitate the utilization of the grantees for guest lecturing purposes, conduct of seminars, or brief teaching services between countries participating in the Department's educational exchange program. The procedures for arranging these inter-country exchanges are contained in the educational exchange manual (IEX 3, September 24, 1957). The list is presented on an area basis for ready reference.
